Dear John:

This is to recognize and thank you for your sustained special efforts in planning and implementing the UW System's statewide Economic Summit. The Summit drew more than 850 participants for three days of significant discussions regarding the economic future of the state and the university. These efforts will bear fruit for many years to come.

The Summit could not have succeeded without the careful preparation, attention to detail, and on-the-spot assistance you provided to the conference. This was truly a team effort and we are most appreciative of your hard work as a key member of Team Summit.

Sincerely,

A handwritten signature in blue ink that reads "Katharine".
